# **Join Our Team**

A career at the University of Maryland Center for Health and Homeland Security (CHHS) gives professionals in the legal, public health, emergency management, and homeland security fields an opportunity to make a difference in the safety and security of citizens on a daily basis. Founded in 2002, CHHS is an academic consulting group that works side-by-side with leading emergency responders in the public and private sector, as well

as universities and hospitals. As a member of our dynamic team, you will have the opportunity to discover and implement innovative ways to impact emergency preparedness for our clients.

#### WHO WE HIRE

CHHS is interested in receiving applications from well qualified emergency management professionals and attorneys with an interest and/or background in homeland security or emergency management. Applicants must hold an advanced degree in law, medicine, public health, emergency management, homeland security or a related field.

### Why Join CHHS?

- **Be well-rounded.** Due to our diverse subject matter expertise, CHHS consistently offers staff the opportunity to expand their professional portfolio.
- Be professional. Built on a foundation of excellence at the University of Maryland, CHHS holds our staff to the utmost professionalism excepted in a higher education environment.
- Be respected. Our devotion to exceeding clients' expectations and delivering products of unprecedented quality has garnered us national and global respect.
- Be satisfied. CHHS staffers are offered competitive benefits, leave, and human resource services through the University of Maryland, Baltimore.
